The Bolshoi Ballet's Splendid Production of 'Coppelia' Broadcast to U.S. Movie Theaters for a One-Day Event on Sunday, June 10

- **WHAT:** The incomparable Bolshoi Ballet brings its production of the classic comedic ballet "[Coppelia](#)" to cinemas nationwide on Sunday, June 10, for one day only. Captured live from Moscow's legendary Bolshoi Theatre earlier that same day, the performance marks the final production of the [2017-18 Bolshoi Ballet in Cinema Series](#), presented by Fathom Events in partnership with BY Experience and Pathé Live. Details regarding the 2018-19 series will be announced soon.

The Bolshoi's unique version of "**Coppelia**" exhibits a fascinating reconstruction by Russian ballet-master **Sergei Vikharev** in 2009 based on legendary choreographer **Marius Petipa**'s original 19th century choreographic notations currently archived at Harvard University Theatre Collection. The cheerful comedy features a feisty heroine, a boyish fiancé with a wandering eye, and an old dollmaker. Also not-to-be-missed is the company's stunning corps de ballet in the divertissements and famous "dance of the hours," and its principals abounding in youthful energy and irresistible humor.
